The resume tells you what someone did. It rarely tells you what they can do.

We're building the team that knows the difference.

W H A T Y O U ' L L O W N

- Read capability, not credentials — and act on it
- Partner with clients to define what great actually looks like
- Build quality-first pipelines, not volume-driven ones
- Own every role from brief to signed offer

W H A T Y O U B R I N G

- Deep experience in agency or high-growth startup hiring
- Instinct for depth — not surface-level profile matching
- Comfort owning client relationships end-to-end
- Thinking that challenges briefs, not just executes them

Signal over noise · Outcomes over activity

Tribera combines advisor-led interviews with intelligent signal scoring to deliver shortlists worth interviewing — not just profiles worth scrolling.

We do the hard part early, so hiring teams spend their time on decisions, not discovery.
